Present this **FREE** card to save on your prescriptions

This is not insurance.

Helpline: 1-855-811-3710

Pharmacy Discount Card
Card is active. No pre-approval needed. Never expires.

1 **Get your FREE drug discount card.**
Visit FillLocalRx.com to download or print your discount card instantly and start saving today.

2 **Show your card at the pharmacy.**
Simply present your card each time you pick up your prescription at your local pharmacy for instant savings on brand and generic drugs. It's that easy!

3 **Save on your scripts.**
Savings average 65% and, in some cases, can be 80% or more! Fill Local Rx uses the power of MaxCare's pharmacy network to negotiate discounts on behalf of patients. We pass these savings onto you free of charge.

Have no insurance?

Have a high deductible or high copay?

Need a prescription not covered by your insurance?

Try Fill Local Rx.
We often have the best price with the personal service and convenience of your local pharmacy.
